

COMPANY PROFILE

ABOUT KABRI CARE

Kabri Care is a company established in the United Arab Emirates as part of the Kabri International Group. The company's goal is to supply the local market with unique hygiene and sustainable products from Europe. Over the past years, Kabri Care has built strong relationships with international companies from Germany, Switzerland, and Italy.

Kabri Care boasts a highly qualified sales team, supported by the Kabri Group, ensuring the highest level of customer satisfaction. The company has been approved by many local clients in both government and private sectors across the U.A.E. It has successfully completed numerous projects by supplying various products through international partnerships.

All Kabri Care products imported from Europe are locally approved by the relevant authorities. The Kabri staff is well-versed in the features of all products and has received specialized training at the CWS-BOCO headquarters. They are fully equipped to supply and install all products in the local market. Kabri's staff is highly qualified to visit sites, provide recommendations, and install hygiene products in accordance with manufacturer guidelines.
